

# Sequential Storyboards

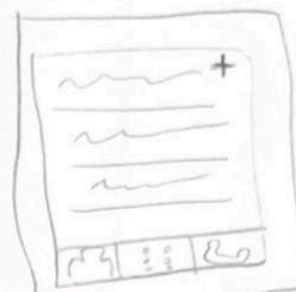

09/12/2024

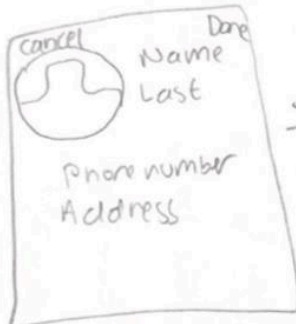

Home screen

Apps on screen  
Phone app is selected

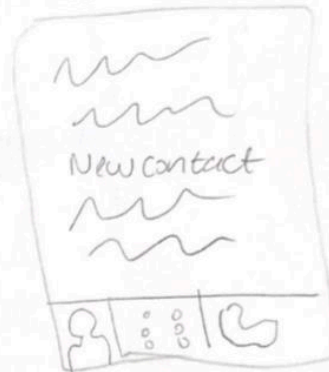

Phone app's contact tab  
Click on the + on top right

Fill in the information  
for the contact you want  
to add

Click on the  
done button  
top right to  
save the contact

The new contact  
you have added  
is now saved and  
on the contacts  
list
